

As you look at the process of worship (the way of the priest), rate yourself in each of those seven areas.

Unless Christ is central to all, He is not really Lord of every area of our lives.

The Gate is the **place of entry**. Have you entered by way of a personal relationship with Christ?

The Brazen Altar is the **place of reconciling**. As you seek the Lord, do you see any rebellion that needs to be dealt with or any wrongs that have not been corrected?

The Laver is the **place of cleansing**. Considering personal holiness, is God calling you to any areas of separation?

The Lampstand is the **place of light**. Are you drawing the light of God's Word into your life on a regular basis?

The Table is the **place of dining**. Are you bringing the needs of your heart to God and seeing Him meet them?

The Altar of Incense is the **place of prayer**. Are there others who need your support through prayer?

Ark is the **place of fellowship**. Are you enjoying daily fellowship with God?

Take some time to express to the Lord in writing all the applications He has given you. You may also jot down any confessions you want to make to the Lord.
